Svaraj Trading & Agencies Limited

We have reviewed the quarterly financial results of Svaraj Trading & Agencies Limited for the quarter ended 31/12/2013 and the year to date results for the period 01/10/2013 to 31/12/2013, attached herewith being submitted by the company pursuant to the requirement of clause 41 of the Listing Agreement. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our review of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25, Interim Financial Reporting issued pursuant to the Companies (Accounting Standards) Rules, 2006 as per section 211,(3C) of the Companies Act, 1956 or by the Institute of Chartered Accountants of India and other accounting principles generally accepted in India.

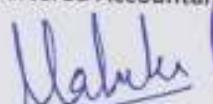

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement(s). A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:

- (i) are presented in accordance with the requirements clause 41 of the Listing Agreement in this regard; and
- (ii) give a true and fair view of the net profit/loss and other financial information for the quarter ended 31/12/2013 as well as the year to date results for the period from 01/10/2013 to 31/12/2013.

Further, we also report that we have, on the basis of the books of account and other records and information and explanations given to us by the management, also verified the number of shares as well as percentage of shareholders in respect of aggregate amount of public shareholdings, as furnished by the company in terms of clause 35 of the Listing Agreement and found the same to be correct.
